OUR SERVICES

Lawyers Alliance's high-quality free and low-cost services include:

Direct Legal Representation

Last year, Lawyers Alliance represented approximately 700 nonprofits and social enterprises on nearly 1,400 different legal matters. Our clients receive legal counsel on nonprofit, corporate, financing, real estate, tax, employment, intellectual property, information technology, and other business and transactional law issues that are critical to their operations.

Brief Consultations

Through our Resource Call Hotline, we provide general information on legal issues of importance to nonprofit representatives, lawyers, policymakers, and members of the general public. Email ResourceCall@lawyersalliance.org or call (212) 219-1800 ext. 224 or and leave a message with your question. In addition, organizations participate in Lawyers Alliance pro bono clinics with corporate in-house legal departments throughout the year on timely legal issues.

Educational Programs

Lawyers Alliance offers workshops, webinars, publications, and Legal Alerts on a broad range of legal topics relevant to nonprofit managers, Board members, and attorneys representing nonprofits. Visit www.lawyersalliance.org/resources to register for trainings or order publications, such as the newly updated *Getting Organized*.

2026 SPECIAL INITIATIVES

Our special initiatives are designed to meet the evolving needs of the nonprofit sector.

Federal Legal Compliance

Federal policies and enforcement priorities are changing quickly. Lawyers Alliance is here to help New York nonprofits understand their legal compliance obligations, assess legal risk, and do the legal work necessary to continue to operate in a legally compliant manner consistent with their missions.

Nonprofit Advocacy

Lawyers Alliance helps advocacy organizations comply with laws regarding lobbying and political activity and provides assistance with business and transactional law matters. Lawyers Alliance also engages in advocacy on core issues affecting the nonprofit sector.

Program Preservation, Evolution, and Financial Change

Lawyers Alliance advises nonprofits about legal strategies that enable them to sustain, adapt, and grow their programs amidst external pressure and change. With decades of experience serving the community through prosperity, recessions, and a pandemic, Lawyers Alliance will continue to help nonprofit groups surmount current and new challenges.

National Leadership

Lawyers Alliance is pleased to coordinate Exponentum[®], a national network of business law pro bono providers improving the quality of life in low-income and disadvantaged communities. Exponentum[®] partners with law firms and corporations on joint legal projects and best practices to implement national responses to challenges faced by the nonprofit sector.

OUR SERVICE MODEL

Client Outreach

We inform current and prospective clients of available services, distribute legal information that helps them be more successful and accountable, and attract a dynamic range of clients that our staff and volunteer attorneys enjoy serving.

Client Screening

Our trained attorneys interview each potential client to discuss the organization's mission and programs, evaluate legal needs and readiness, and explain our legal services.

Volunteer Support and Special Expertise

Lawyers Alliance staff with legal and practical expertise provide resources to clients and volunteers and serve as co-counsel on legal matters placed with volunteers.

Volunteer Recognition

We are strongly committed to recognizing the stellar work of dedicated and talented volunteer attorneys and helping them to set a leadership example for other lawyers.

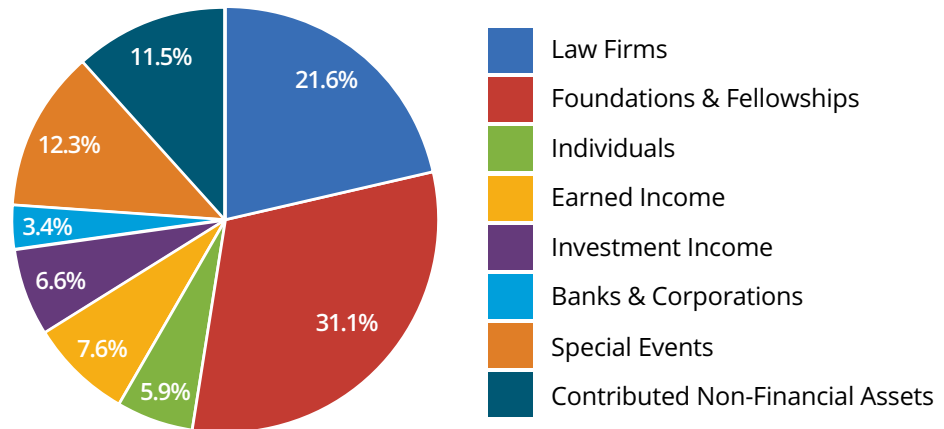

FINANCIAL PROFILE

Donations from law firms, foundations, banks, corporations, individuals, and special events enable Lawyers Alliance to help nonprofits build a better future for low-income New Yorkers.
