Since 1969, Lawyers Alliance for New York has led the way, locally and nationally, for effective pro bono services by business and transactional lawyers. Today, our experienced staff and network of more than 2,000 pro bono lawyers from 140 law firms and corporations deliver quality corporate, tax, real estate, employment, intellectual property, and other legal assistance to more than 1,000 nonprofit organizations each year.

Our 2023 Business Law & Leadership Gala is an opportunity to reaffirm the legal and corporate sector's commitment to community service and healthy communities. With your participation, Lawyers Alliance can continue to strengthen nonprofits that provide and advocate for economic opportunity, housing, health, education, community arts, and other vital programs that benefit low-income New Yorkers of all ages.
